

US-4302

Kwik Lok

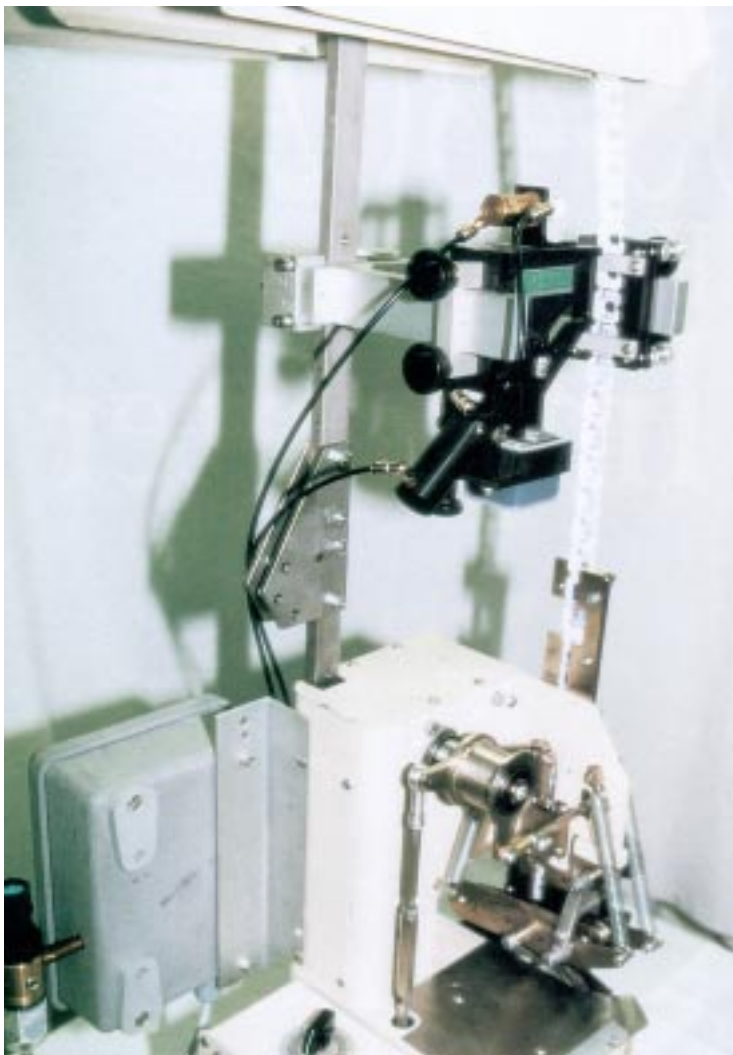

Tab Imprinter

- Air operated coder eliminates coder jam ups, reducing costly downtime.
- High quality impressions with US-4302 one piece cast coder means no parts replacement.
- Reduced operating costs with disposable ink cartridges as compared to costly ribbon and metal type.
- Installs on all model KWIK LOK machines including the new #865.

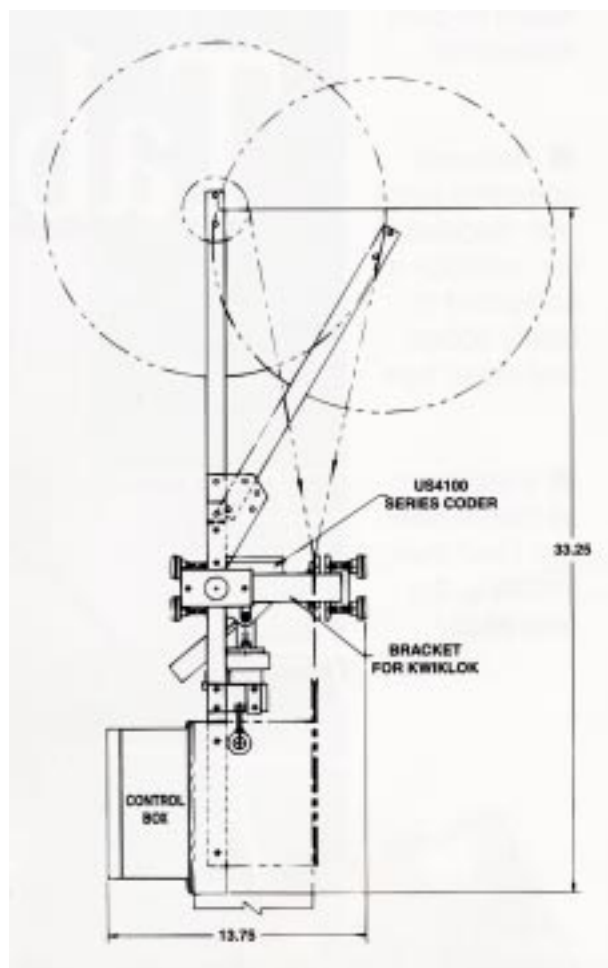

US-4302 Tab Imprinter will easily retrofit to all KWIK LOK tab closing machines to imprint prices, dates, and production codes. The US-4302 will produce high quality codes on all series closures including the NRP-J and NRP-K.

US-4302 Kwik Lok Tab Imprinter

The US-4302 Imprinter installed on a Kwik Lok Bag Closing Machine
